SC PERFORMANCE GOAL

2010 Goal:
By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:
By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

St. Stephen Middle School is a Title I school that serves approximately 223 students in Grades 6 – 8. SSM is accredited by the Southern Association of Colleges and Schools (SACS). Ninety-one percent of our students receive free or reduced lunches. Our school's theme is "Linking Rigor, Relevance, and Relationship: Connecting the Pieces for Student Success – Parents, Students, Teachers, Community."

St. Stephen Middle School's Title I and Technical Assistance funding provides tutorial assistance for students, professional development activities for teachers, staff, and administrators, various parenting and community activities, and student/staff incentive programs. These funds are also used for allocations of additional personnel to address student performance, provide support to staff, and supplement the purchase of classroom resources for our instructional programs.

St. Stephen Middle School's most recent initiative for 2008-2009 was the implementation of Positive Behavior Support System (PBIS). This model has positively impacted our school climate, supported academic achievement efforts, and raised the level of student expectations and responsibility. Through the restructuring and reorganization of our school, St. Stephen Middle School has experienced growth in many areas. Other continued programs and initiatives include the following: Curriculum Mapping, Making Middle Grades Work, Professional Learning Communities At Work, On-site job-embedded Professional Development activities, A+ Lab (Content Recovery, Remediation, and Acceleration), implementation of an active School Improvement Council (SIC) and Parent-Teacher Association, participation in Content-related Conferences and Workshops, Literacy initiatives, Student Advisement programs, Student Goal-Setting sessions, and the use of MAP and PACT data to make informed data-driven instructional decisions to increase student achievement.

We are fortunate to have the support and partnerships of the following organizations that promote the educational pursuits of our community's youth: United Way, Santee-Cooper, Berkeley County School District Mentoring Program, Angel Food Ministries, and other local businesses and churches.

Continuous articulation of St. Stephen Middle School's goals and expectations for students and staff are communicated on an on-going basis. Data and pertinent school information is also shared throughout the year with students, staff, parents, and the community to maintain a clear sense of our school's mission, theme, goals, and expectations.
